

3d models for archicad free

Continue

\*.dxf (archicad)  
\*.iges (iges)  
\*.jpg (images.....is my first 3d model here.  
he is modeled with archicad but exported to 3ds max by materials.  
model include house.....possible to use in any project. originally modelled in archicad 22 final images rendered with corona render inside scene:.... ..building.  
models possible to use in any project.

originally modelled in archicad the zip file contains source file and standard video.....contains interior walls and some furniture inside.

bungalow\_pla.zip contains archicad pla file

3d max 8.0 + v-ray 1.5  
scene is rigged.....former berlin residence 'finowstrasse 34', that was modelled in archicad and visualised in cinema 4d r16. inside the building,.... ..is an exactly detailed one and was constructed in archicad and visualized in cinema 4d r18.

note:  
-native file format.....brackets. different base support.  
the version r16 is made for archicad 16 and all the next.....brackets. different base support.

the version r16 is made for archicad 16 and all the next.....brackets. different base support.  
the version r16 is made for archicad 16 and all the next.....brackets. different base support.  
the version r16 is made for archicad 16 and all the next.....is an exactly detailed one and was constructed in archicad and visualized in cinema 4d r14. there is a.....brackets. different base support.

the version r16 is made for archicad 16 and all the next.....brackets. different base support.  
the version r16 is made for archicad 16 and all the next.....brackets. different base support.  
the version r16 is made for archicad 16 and all the next.....former berlin residence 'finowstrasse 34', that was modelled in archicad and visualised in cinema 4d r14. inside the building,.... ..brackets. different base support.

the version r16 is made for archicad 16 and all the next.....brackets. different base support.

the version r16 is made for archicad 16 and all the next.....brackets. different base support.

the version r16 is made for archicad 16 and all the next.....single family house floor plan with furniture

original draw in archicad<br>all the texture used for this project is in the.....residence 'neukölln am wasser 10', that was modeled in archicad and visualised in cinema 4d r14. inside the building,.... ..brackets. different base support.

the version r16 is made for archicad 16 and all the next.....is an exactly detailed one and was constructed in archicad and visualized in cinema 4d r16.

inside that model,.... ..it was destroyed in wwii.this model was constructed in archicad and visualized in cinema 4d r16. it is an.....use in any scene / render.

ready to use in archicad( gsm library parts included.)

high quality rendering and nice for.....is an exactly detailed one and was constructed in archicad and visualized in cinema 4d r14. there is a...
